

## **BIHAR STATE ELECTRONICS DEVELOPMENT CORPORATION Ltd.**

### **Swiss Challenge Mode Competition Bid**

#### **Tender Notice No: BSEDC/COE/2010/01**

Bihar State Electronics Development Corporation Ltd invites sealed offer from interested bidder on Swiss Challenge Mode to establish a Centre of Excellence (CoE) in the State of Bihar. This Centre of Excellence will propose to impart training in the domain of Tally related Accounting, Communicative English, e-Learning, Soft Skills modules, Personality Development and various Employability Enhancement programmes by class room presentations, practical demonstration, projects designing and supplying courseware which enhance the prospects and impart special skills to individuals at its proposed Centre of Excellence infrastructure by its skilled manpower and various technology and knowledge partners.

BSEDC has received a suo moto proposal from a company for implementing this Project. The details of courses offered along with time duration is attached as annexure-I and II.

Now, competitive and superior offers which are beneficial to the BSEDC are invited from the eligible bidders on Swiss Challenge Method. If the competitive bidding process results in a superior proposal, the proposal initiator of the Original Proposals would be given an opportunity to match the competing counter proposal within 15 days. If the proposal initiator of the Original Proposal declines to match the superior counter proposal, then the applicant that has made the superior proposal would be selected as the Concessionaire

Last date for receipt of application from the bidders is 15/07/2010 **upto 16.00 hrs at Beltron Office, Shastri Nagar Patna-23**. BSEDC has right to accept/reject one or all the tenders without assigning any reasons. Further, clarifications and more details can be obtained in the above office during office hours on working days. Details are available on website [www.beltron.in](http://www.beltron.in).

Managing Director
